All Plantronics professional wireless headsets have a noise-canceling microphone, remote ring notification, single-button call control, and volume/mute control.

EHS Cable

The Plantronics Electronic Hookswitch cable seamlessly connects to your Professional Wireless Headset Systems, including Savi Office, the CS product family, and the Plantronics Voyager 510S Professional Bluetooth Headset System. The EHS cable enables the following benefits: answer and end calls while on the move from your desk phone, mobile phone and PC, freedom to move about the office and multitask, and connect with one simple step.

Multiple SKUs

HL10™ Handset Lifter

The HL10 Handset Lifter accessory adds the convenience of one-touch answering and ending calls while away from your desk by automatically lifting your desk phone handset.

AUDIO PROCESSORS

H-series headsets perform best when married with an Audio Processor. The A10 cable provides an alternative attachment method with simple electrical matching and amplification.

VistaPlus™ AP15

AUDIO PROCESSOR

Intelligibility — AudioIQ® DSP-based multiband compression technology improves call intelligibility by correcting for signal loss anywhere in the bandwidth.

VistaPlus AP15 902.9692

Vista® M22

AUDIO PROCESSOR

Call comfort — Clearline™ audio reduces fatigue by maintaining incoming calls at a consistent and comfortable listening level and protecting against incoming loud noises, such as fax tones or feedback.

Vista M22 902.9654

DA Series

SOFTPHONE USB AUDIO PROCESSORS AND ADAPTERS

Harness the power of VoIP without sacrificing sound quality.

DA60™ USB Audio Processor

The ideal VoIP solution for contact centers. Includes Clearline audio, PerSono Pro™ software and inline volume/mute controls.

DA60 901.9606

DA55™ USB Audio Processor

Ideal for offices and contact centers using softphones for business-critical applications. Includes Clearline audio, PerSono Pro software, no inline controls.

DA55 901.9695

DA45™ USB Adapter

Ideal for Unified Communications applications. Supports wideband audio. Includes PerSonoCall software and inline volume/mute and call answer/end controls.

DA45 907.1828-006

DA60

DA45

A10™

CABLE

Provides basic electrical matching and gain enhancement for H-series headsets.
